1 Today's Gospel

The Tiny Seed That Grew

Not long before Easter, some visitors came to Philip, one of Jesus' friends, and said, "Sir, we would like to **see Jesus**."

Jesus told them a little picture-story: **"Unless a grain of wheat falls to the ground and dies, it remains just a grain of wheat; but if it dies, it produces much fruit."** A tiny **seed** goes down into the dark soil — and grows into a tall plant full of new grains!

Jesus was talking about Himself. Soon He would give His life for us on the **cross** — but, like the seed, He would rise again at Easter and bring **new life** to everyone.

Big idea: Like a tiny seed, Jesus gave His whole life for us, and it brought **new life** for everyone — when we **give and share** with love, good things grow too!

Listen at Mass: In the Psalm we sing "Create a clean heart in me, O God." And in the first reading, God promises to write His law on our **hearts**.

2 One Little Question

When the grain of wheat is planted, what does it grow into? Circle the answer!

Just one seed

Lots of new grain

A big stone

3 My Prayer

Something I can give up or share this Lent:

Dear Jesus,

4 Draw It!

Draw the seed story: the tiny seed in the ground, then the tall wheat it grows into.

Ideas: a seed in the brown soil • a little green shoot • tall golden wheat • the sun and rain helping it grow

1. The seed goes in the ground...	2. It grows lots of wheat!
