The Empty Tomb!

Very early on Sunday morning, while it was still **dark**, Mary Magdalene went to the tomb where Jesus had been buried. But the big **stone** had been rolled away from the door! She ran to tell Peter and another disciple, the one Jesus loved. "They have taken the Lord out of the tomb," she said, "and we don't know where they have put Him!"

Peter and the other disciple **ran** as fast as they could. The other disciple got there first and peeped in. Then Peter went inside. Jesus was not there! They saw only the **linen cloths** He had been wrapped in, and the cloth from His head rolled up by itself. The other disciple went in too — he saw, and he **believed**.

Nobody had taken Jesus away. God had raised Him from the dead — He is **alive**! That is why Easter is the happiest day of the year: Jesus is stronger even than death.

Big idea: Jesus is **risen from the dead**! Because He is alive, we can share His **new life** — today and for ever.

Listen at Mass: In the Psalm we sing "This is the day the Lord has made; let us rejoice and be glad." And listen for "Alleluia!" — it comes back at Easter after being quiet all through Lent!
